
Dr. Ulrike Riessberger-Gallé
Institut für Zoologie
Karl Franzens Universität Graz
Universitätsplatz 2, A-8010 Graz

Curriculum vitae

Personal Data:

Name: Mag. Dr. Ulrike Riessberger-Gallé
Date of birth: 7.11.1970 in Vienna, Austria
Citizenship: Austria (European Union)
Family status: married, 3 children

Positions:

2006-today: employed as a scientific assistant at the Institute of Zoology, Karl-Franzens-University Graz,

2005: employed through a FWF-project (P15961/B06) at the Institute of Zoology, Karl-Franzens-University, Graz, Austria.

1998-2001: employed through an EU-research project (INCO-Kopernikus IC15 CT960905, "Mapping quantitative trait loci QTL in honey bees) at the Institute of Zoology, Karl-Franzens-University, Graz, Austria.

1997-1998: Assistant to the director of the Styrian Association of Beekeepers, Graz, Austria.

1995-1997: Assistance in scientific work at the Institute of Zoology, Karl-Franzens-University, Graz, Austria.

Breaks:

2001-2005: maternity leave

2008-2010: maternity leave

Education:

2000: PhD-thesis at the Institute of Zoology at the Karl Franzens University of Graz on the resistance of honeybees against *Paenibacillus larvae larvae*. (*summa cum laude*)

1997: finalising (degree: Mag. rer. nat.) study of biology with a thesis on: Short term effect of different weather conditions upon the behaviour of forager and nurse honey bees. (*Apis mellifera carnica* Pollm).

1988: studying for a degree in biology at the Karl Franzens University of Graz

Additional Qualifications:

2012: Nomination for the Meeting of the Expert Group on Honey Bee Toxicity Testing, OECD

2011-2012: fForte_Coaching Programm, by science2public and BMWF

2010: Organisation and Realisation of COLOSS Work shop "Method standardization for larval tests" Graz, Austria, 7.-9.6.2010.

2006: Seminar: "Pharmacogenomics: Current State and Future Perspectives" (by C. Mannhalter and U. Meyer) European Forum Alpbach (Austria), granted by the "Club Alpbach Graz".

2006: Seminar: “Managing the Protection of Resources” (by K. Foti and R. Leban) European Forum Alpbach (Austria), granted by the “Club Alpbach Graz”.

2003: “Project organisation and planning”, Volkshochschule Graz, Austria.

1998: study visit at the “Niedersächsisches Landesinstitut für Bienenkunde”, Celle, Germany.

1997: attending the scientific excursion of the Karl Franzens University to Equator and the Galapagos Islands.

1997: Seminar “Analysis of Pollen in Honey” by H. Pechhacker, Lunz am See, Austria.

1996: Member of world underwater federation (CMAS), *diver.

1996- today: Organisation of various international Conferences in Graz, Austria.

1991-1993: Academy of commerce, HAK

Grants and Prizes:

2011: Project funded by the Land Steiermark (county government), “In vivo Tests antimikrobieller pflanzlicher Extrakte an Honigbienenlarven (*Apis mellifera carnica*)”.

2007: Project funded by FWF, Wissenschaftsfond, “Resistance of Honeybees against *Paenibacillus larvae*”.

2006: Project funded by the Land Steiermark (county government), “Raising Honeybee Larvae per Hand as a new Testmethod”.

2000: receiving a scholarship of the Rektor of the Karl Franzens University for one year.

1999: Receipt of the Evenius-Prize for first research results at the AG Conference in Marburg, Germany.

Memberships:

- International Society for the Study of Social Insects (IUSSI)
- European Association for Bee Research (EURBEE)

Teaching activities:

2011-today: course “ Die Honigbiene” in science 2 public, “Offenes Labor – Uni Graz”

2012: STSM (Short time scientific mission, one week) of Students from Poland and Czech Republic to study larval rearing at Graz

2011: STSM of Students from Israel to study larval rearing at Graz

2011: STSM of a scientist from Greece to study larval rearing at Graz

2006-today: course “Animal Physiology” for undergraduate students, (2h/week)

2004-today: course “Honeybee: Behaviour, Metabolism, Breeding and Environment”, (2h/week)

1995-2000: assistance in various courses
